

TCAA Disclosure Policy

It is the policy of the Trauma Center Association of America (TCAA) to ensure balance, independence, objectivity, and scientific rigor in all directly or jointly provided educational activities. All individuals who are in a position to control the content of the educational activity (course/activity directors, planning committee members, staff, teachers, or authors of CE) must disclose all financial relationships they have with any ineligible company as well as the nature of the relationship. The ACCME describe an ineligible company is any entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Financial relationships as those in any amount occurring within the past 24 months that create a conflict of interest will be disclosed to learners.

Individuals who refuse to disclose will be disqualified from participation in the development, management, presentation, or evaluation of the Continuing Education.

TCAA Educational Statement

CME

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Trauma Center Association of America (TCAA) and Arizona Trauma Association (STACS).
