

STACS 2025

DAY 1: SCHEDULE

THURSDAY, NOVEMBER 20, 2025 (ALL TIMES ARE MOUNTAIN STANDARD TIME)

TIME	PRESENTATION/EVENT	SPEAKER	MODERATOR
6:30-7:30	Registration & Breakfast		
7:30 - 7:35	Welcome & Opening Remarks	Joe Sucher, MD	
7:35-7:45	Presidential Address	Jordan Weinberg, MD	Collin Stewart, MD, FACS
7:45-8:05	Low Titer Group O Whole Blood for Hemostatic Resuscitation	Phil Spinella, MD, FCCM	
8:05-8:25	Don't Break the (Blood) Bank: Can Waste be Minimized in a Whole Blood Program?	Krista Kaups, MD	
8:25-8:45	Improving Trauma Surgeons Prospective Estimation of the Injury Severity Score	S. Rob Todd, MD, FACS, FCCM	
8:45-9:05	Pregnancy in Trauma	Nick Namias, MD, MBA, FACS, FCCM, FSIS	
9:05-9:25	Q&A		
9:25-9:50	Break: Exhibits and Refreshments		
9:50-10:10	Utah Pediatric Trauma Network	Katie W. Russell, MD	Vicki Bennett, MSN, RN, CEN, CCRN-K
10:10-10:50	Compassionate Gift: Wellness While Working in the Trenches	Alicia Mangram, MD, FACS	
10:50-11:10	Robotic Trauma and Emergency General Surgery	Morgan Crigger, MD	
11:10-11:30	Q&A		
11:30-12:30	Lunch Break/Visit Exhibits		

STACS 2025

DAY 1: SCHEDULE

THURSDAY, NOVEMBER 20, 2025 (ALL TIMES ARE MOUNTAIN STANDARD TIME)

TIME	PRESENTATION/EVENT	SPEAKER	MODERATOR
12:30-12:50			Ramin Jamshidi, MD
12:50-1:10	Nuances of Resuscitation in Hemorrhagic Shock	Tanya Anand, MD, MPH, MT(ASCP), FACS	
1:10-1:30	Pre-Hospital Blood and Transportation to the Hospital	Martin Zielinski, MD, FACS	
1:30-1:50	Tips and Tricks to a Successful Review	Michael McGonigal, MD	
1:50-2:10	Q&A		
2:10-2:35	Break: Exhibits and Refreshments		
2:35-2:55	Brain Injury Guidelines	Katie W. Russell, MD	Tanya Anand, MD, MPH, MT(ASCP), FACS
2:55-3:15	Vascular Trauma	Ankur Shukla, MD	
3:15-3:35	Pediatric Thoracotomy Guideline Review	Collin Stewart, MD, FACS	
3:35-3:55	When Hands Meet Trouble: A Short Talk About Hand Trauma	Tolga Türker, MD	
3:55-4:15	Q&A		
4:15-5:35	Daniel M. Caruso Academic Session		

STACS 2025

DAY 2: SCHEDULE

FRIDAY, NOVEMBER 21, 2025 (ALL TIMES ARE MOUNTAIN STANDARD TIME)

TIME	PRESENTATION/EVENT	SPEAKER	MODERATOR
7:00-7:30	Registration & Breakfast		
7:30-7:35	Welcome & Opening Remarks	Collin Stewart, MD, FACS	
7:35-7:55	Learn One Get Two: Burn Surgery Techniques For Soft Tissue Defects	Arpana Jain, MD, MBA, FACS, FABA	Joseph Sucher, MD
7:55-8:15	Prehospital Whole Blood: From Idea to Impact	S. Rob Todd, MD, FACS, FCCM	
8:15-8:35	Trauma Verification Update	Nirav Patel, MD, FACS	
8:35-8:55	Weaponization of Safety Reports	Andrew C. Bernard, MD, FACS	
8:55-9:15	Q&A		
9:15-9:40	Break: Exhibits and Refreshments		
9:40-10:00	Tele Trauma	Krista Kaups, MD, MS, FACS	Gaby Iskander, MD, MS, FACS
10:00-10:20	The Opioid Crisis and Trauma Surgery: Balancing Pain Control and Addiction Risks	Andrew C. Bernard, MD, FACS	
10:20-10:40	When the Dust Settles: Mass Casualty Incident Provider	Collin Stewart, MD, FACS	
10:40-11:00	Everything You Need to Know About Cold Store Platelets	Phil Spinella, MD, FCCM	
11:00-11:20	Q&A		

STACS 2025

DAY 2: SCHEDULE

FRIDAY, NOVEMBER 21, 2025 (ALL TIMES ARE MOUNTAIN STANDARD TIME)

TIME	PRESENTATION/EVENT	SPEAKER	MODERATOR
11:20-12:20	Lunch Break/Visit Exhibits		
12:20-12:40	Evaluating Prehospital Mistrriage	Martin Zielinski, MD, FACS	Francis Ali-Osman, MD
12:40-1:00	Disclosure of Concomitant Family Death to an Injured Child	Patrick Goodman, MC, LPC	
1:00-1:20	The Three Rs of Trauma Surgery	Nick Namias, MD, MBA, FACS, FCCM, FSIS	
1:20-1:40	The Most Impactful Papers This Year: AI Edition	Michael McGonigal, MD, FACS	
1:40-2:00	Q&A		
2:00-2:25	Break: Exhibits and Refreshments		
2:25-2:45	How to Build a Level III Trauma Center from the Ground Up	Francis Ali-Osman, MD, FACS	
2:45-3:05	Decoding The TQIP Red Diamond Using VAP to Guide Quality Improvement	Gaby Iskander, MD	
3:05-3:25	Post Intubation Hypotension	Tanya Anand, MD, MPH, MT(ASCP), FACS	
3:25-3:45	Building Robotic Surgery Into Your Practice (aka Why Drink The Kool-Aid)	Ramin Jamshidi, MD	
3:45-4:05	High Fidelity Simulation in Trauma Surgery	Hahn Soe-Lin, MS, MD, FACS	
4:05-4:25	Q&A		
4:25-4:35	Abjoun		

STACS 2025

Thursday, November 20, 2025

DANIEL M. CARUSO ACADEMIC SESSION

THURSDAY, NOVEMBER 20, 2025

ARIZONA TIME ZONE - MOUNTAIN STANDARD TIME

PODIUM PRESENTATIONS

4:15-4:25 pm: Inclusion and Acknowledgment of Social Determinants of Health in Trauma and Injury Research Using National Databases: A Review of TQIP, NEISS, and NEDS Studies: **Presenter: Rebecca Paxton, MD, Creighton University School of Medicine, Phoenix Health Sciences Campus** (Includes Q&A)

4:25-4:35 pm: Hiding in Plain Site: Trauma Surgeons Improve Detection of Missed Rib Fractures Using a Novel CT-based Rib Fracture Taxonomy: **Presenter: J. Tyler Arrington, DO, Honor Health, Creighton University School of Medicine** (Includes Q&A)

4:35-4:45 pm: Admission Time Impact on Hip Fracture Outcomes: Retrospective Cohort Study in a Rural Hospital Setting: **Presenter: Jacob Barnard, MS, OMS-II: Midwestern University, Arizona College of Osteopathic Medicine Kingman Regional Medical Center Office of Research and Sponsored Programs** (Includes Q&A)

4:45-4:55 pm: Reducing VAP Incidence In Severe TBI Patients: Early Cultures and Empiric Antibiotic Management Pathway (EAMP): **Michelle Brunelle, RN-BSN, BS, BA: Providence Alaska Medical Center** (Includes Q&A)

4:55-5:05 pm: Topical Wound Oxygen Therapy as Adjunct Treatment for Chronic Nonhealing Wounds: **Titilope Sandra Saheed, MD, University of Arizona, Tucson** (Includes Q&A)

5:05-5:10 pm: Use of the One-Stage technique for traumatic lower limb degloving injuries: Using Split Thickness Skin Graft, Dermal Matrix and Skin Cell Suspension Autograft: **Beverley Trutter MD, MPH: University of Arizona, Tucson** (Includes Q&A)

5:10-5:15 pm: Pediatric Head Injury Prevention Through Helmet Use: Efficacy Clear, Compliance Still Remains a Challenge: **Titilope Sandra Saheed, MD, University of Arizona, Tucson** (Includes Q&A)

5:15-5:25 pm: Is The Juice Worth the Squeeze: Diagnostic Utility of TEG in Geriatric TBI Patients: **Francisco Castillo-Diaz, MD, University of Arizona, Tucson** (Includes Q&A)

5:25-5:35pm: Hold The Scalpel: Assessing Outcomes of Negative Laparotomy Vs. Nonoperative Management in Severe Isolated Abdominal Trauma: **Mohammad Al Ma'ani MD, University of Arizona, Tucson** (Includes Q&A)
