

# Breast Cancer Update: Review of Breast Cancer Symposia Live Stream

Wednesday, February 17, 2021

1:00 - 4:45 pm

CASE  
COMPREHENSIVE  
CANCER CENTER

# Breast Cancer Symposium

## About the Course

Breast Cancer Update: Review of Breast Cancer Symposia will summarize highlights from the national meetings, with a focus on the clinical implications of the new information presented on breast cancer. Medical oncologists, breast surgeons, radiation oncologists, womens health, nurses, nurse practitioners, physician assistants, residents/ fellows, and other healthcare providers with an interest in the management of patients with breast cancer should attend this course.

## Learning Objectives

As a result of attending the course, the participant will be able to:

1. Summarize information relevant to the surgical management of breast cancer.
2. Review current information on the hormonal management of breast cancer.
3. Discuss novel targets in the therapy of breast cancer and their clinical implications including the role of conventional chemotherapy and of novel combinations involving conventional chemotherapy.
4. Identify emerging radiation techniques and the status of these techniques in the care of patients with breast cancer.
5. Review current risk prediction methods and prevention strategies.

## Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of *3.5 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association Council for Continuing Medical Education credit for Category 2 credit.

The Ohio Board of Nursing will accept at face value the number of contact hours awarded for an educational activity that has been approved for CE by a nationally accredited system of CE approval.

Nurses are able to obtain CE that has been approved or provided by a nationally recognized accreditation system of continuing education.

Examples include:

- The American Nurses Credentialing Center (ANCC)
- The Accreditation Council for Continuing Medical Education (ACCME)
- The International Association for Continuing Education and Training (IACET)
